

Thomas A' Becket Infant School

Travel Policy 2022 - 2023

At Thomas A' Becket Infant school we aim to teach children about the importance of a healthy lifestyle to promote the wellbeing of all our pupils. Part of this approach includes our commitment to helping children to understand how our choices impact on the environment.

We actively encourage our pupils and staff to walk, scoot or cycle to school as they:

- keep us fit and healthy
- help our pupils develop road safety skills which will keep them safe as they travel further afield and more independently
- help reduce pollution and congestion
- are life skills that everyone should be able to benefit from

What we do

- We use Modeshift STARS to update and monitor our school travel plan
- We promote safe and active travel as much as possible by using our noticeboard, displays, newsletter and website at www.tabinfant.org.uk
- We encourage all members of our school community to walk, cycle or travel by public transport for the journey to school, where ever possible. To support this we provide:
 - Whole school keep safe week, which includes road safety for all year groups
 - Cycle parking
 - Scooter parking
 - Lockers for helmets/equipment for staff members
- Local school trips are made on foot if the destination is close by
- We let all new pupils and their parents/carers know that we promote healthy and sustainable travel to school before the child starts at our school
- We have a staggered start to the beginning and end of each day which reduces the number of adults and children arriving at school at the same time
- We have a voluntary one way system for parents/carers travelling by car

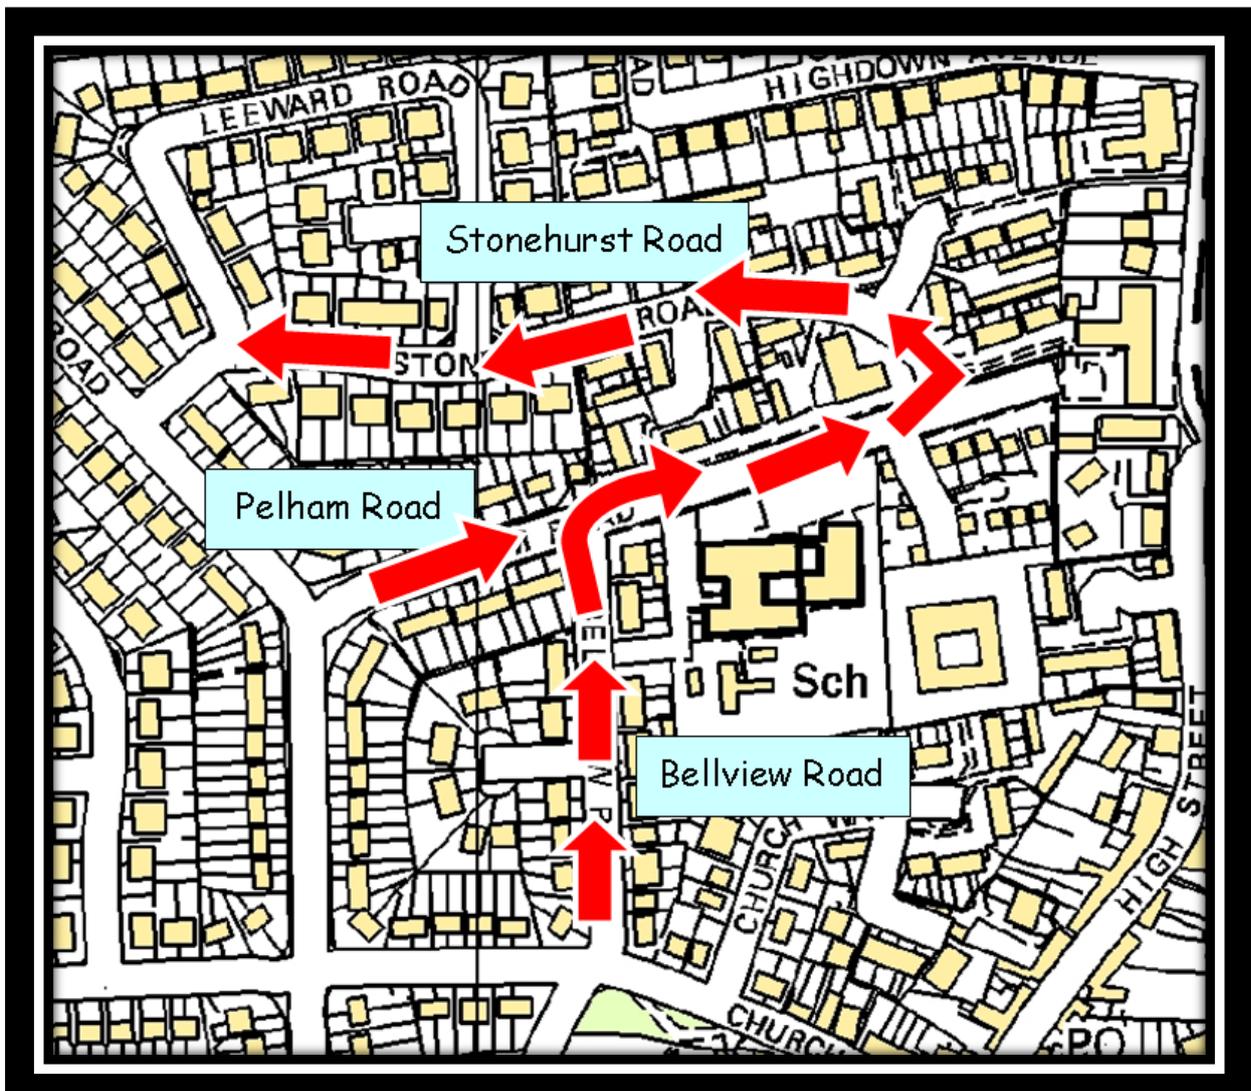

What we ask of parents.

- Please encourage your child(ren) to walk, scoot or cycle to school whenever possible
- To remind your child(ren), to follow the road safety guidance
- Ensure your child(ren) walk or ride sensibly and safely on the way to and from school, and to push bikes and scooters on school grounds

- Ensure that bicycles and scooters are roadworthy and properly maintained. If in doubt consult a qualified mechanic
- Provide your child(ren) with a cycle helmet if coming to school on a bike or scooter
- Ensure your child(ren) can be seen by fitting lights to their bike and by supplying them with high-visibility clothing
- Make sure your child(ren) has a lock for their bike or scooter
- Ensure you have appropriate insurance cover for your child(ren)'s bicycle or scooter as the school is not liable for any loss or damage to cycles or scooters on the premises or being used on the way to or from school

We understand that sometimes there is no alternative to driving to school.

- If you do have to drive your child(ren) and park close by, please do so legally, safely and with respect for our neighbours and local residents
 - It is not acceptable to park or wait on double yellow lines, on the school zigzags or across residential driveways for any period of time.
 - We would ask you to observe the voluntary one way system see below:

Please note that the decision on whether a child is competent to cycle or scoot to school is for the parent(s) or carer(s) to make. The school has no liability for any consequences arising from this decision.

What we ask of pupils

- Ask your parents if you can walk, scoot or cycle to school. Always stay with your grown up when coming to and from school.
- Behave in a way that demonstrates the school values whether walking, scooting, cycling or using public transport
- Ride or walk courteously, sensibly and safely on the way to and from school
- Always push bikes and scooters on school grounds
- Wear a cycle helmet
- Make sure you can be seen by using lights in the dark or bad weather and by wearing high-visibility clothing
- Make sure you have a lock for your bike or scooter and that you use it
